

# INDUSTRY WEEK 2015 HAPPENINGS

As is the norm, Bartec is always very active and involved in Industry Week. This year's SEMA and AAPEX shows are no different. Plan to catch up with Bartec as we demonstrate the new TPMS Pro Series of Tools, introduce another new Tire Service Tool and talk about the latest in TPMS. Below is a summary of all things Bartec at this year's SEMA & AAPEX Shows - plan on seeing it all and getting up to speed in TPMS!

## Product Training

Bartec once again providing valuable and informative training in TPMS diagnostics and products. Don't miss it!

Class Description	Date / Location	Time[s]
TPMS Triage - How to know what is wrong with a TPMS	Tuesday - November 3	3:15 PM
	AVI Conference - SANDS	
The Importance of Placard and TPMS	Wednesday - November 4	1:00 PM
	SEMA - LVCC Rm #S230	

## Presentations

Bartec is either presenting at or sponsoring these GTE events. You don't want to miss what's being discussed!

Presentation Topic	Date / Location	Time[s]
New Developments in TPMS	Tuesday - November 3	10:00 AM
	SEMA - LVCC Rm #S115/116	
Successful Tire Dealers Share their Secrets	Tuesday - November 3	2:00 PM
	SEMA - LVCC Rm #S115/116	
Aftermarket Wheels and Tires – Right Sale, Right Fit	Wednesday - November 4	10:00 AM
	SEMA - LVCC Rm #N252	

## Live Product Demonstration

Join us in the SEMA Booth as we demonstrate LIVE the reprogramming of the TPMS and the recommended inflation pressure. Adjusting the "placard" has never been easier or more secure!

Date	Time[s]
Tuesday - November 3	12:00 PM
	4:00 PM
Thursday - November 5	12:00 PM
	4:00 PM
Friday - November 6	10:00 AM

## Daily Booth Drawing

Visit either booth [AAPEX or SEMA] and drop your business card in the bowl for a chance to win one of three Tech400Pro Master Kits! Drawings are held Wednesday, Thursday and Friday, and the winner is chosen from the previous day's entrants. So visit our booth every day during industry week!
